

# Budget Billing Enrollment Form

Get a more predictable energy bill with Dunn Energy Cooperative’s Budget Billing program. We know that receiving a consistent bill each month makes budgeting much easier. The Budget Billing program makes each monthly bill more consistent every month, all year long, at no additional charge.

## How does it work?

With Budget Billing, we take into account your energy costs, historical usage and seasonal changes in energy use. We calculate your total cost and average it out over 12 months.

Twice a year (May & Nov.) we will adjust all budgeted bills to keep them closer to your actual usage. You may end up with either a credit or a charge that will roll forward over the next six months. Your account must be at a zero balance in order to participate in the program.

## Enrollment and Cancellation

To enroll in Budget Billing, you can:

- Email the completed application to [info@dunnenergy.com](mailto:info@dunnenergy.com)

If you miss two (2) Budget Billing payments during the program year, you will be removed from the program and the full balance on your account will be due at that time.
