

October Co-op Month Celebration Returns as a Lunchtime Cookout

It's been a while, but do you remember those great Co-op Breakfasts we used to put on in October, before COVID? This year we're bringing it back! Just a little different, though. Due to unforeseen business closures (as in the business we've used in the past is no longer running), this year the celebration for October being National Co-op Month will be a lunch event. We'll serve hotdogs, brats, and sides. Come on out and visit with your neighbors. We might even have some Halloween goodies for the kids! We hope to see you there!

DATE: Saturday, October 29, 2022 TIME: 11 a.m. – 2 p.m. LOCATION: Dunn Energy Cooperative

FROM THE BOARD ROOM

August 2022 Board Meeting Highlights

Monthly Reports:

Operations reported that crews are doing routine maintenance, pole replacements, and regular summer construction. We have a total of 57 new services plowed in to date.

The Energy Management report contained updates on metering issues and a recap of the five full load control events of the summer. It was also reported that there are currently 14 solar installation applications in the queue and the Community Solar garden is 92% subscribed.

The CFO reported that financially, with higher temperatures and lower moisture. kilowatt hour sales are about 3% over budget. Purchased power costs were higher than budgeted due to increased sales and system demand being 7% higher than budget. Overall, it was a good month for the Cooperative.

The CEO/General Manager gave an overview on day-to-day operations. Singerhouse also

gave updates on the Inflation Reduction Act and what specific provisions included mean for the Cooperative. The group also discussed the recent Energy Issues Summit held by WECA and attended by several directors.

The following items were approved:

- Minutes of the July 2022 Board meeting
- Capital credit estate payout for deceased members.
- Audit committee report of all checks, ACH payments, wire transfers, credit card statements, and investments accounts.

Other Business:

Director Zwiefelhofer reported on Dairyland Power activities for the month.

Reviewed the monthly report of new Cooperative members.

Reviewed the monthly governance video that discussed Director Communication with Employees
